

**The Tiger Hills Recreation District is seeking**

**PROGRAM INSTRUCTORS**

The Tiger Hills Recreation District is always interested in offering new recreation programs/classes for area residents of all ages to enjoy. If you have a skill, talent or passion for a topic - sports, fitness, dance, art, crafts, photography, computers, cooking, or any other leisure activity - and would be interested in instructing a class, contact the Recreation Office! As well, the Recreation Office may be able to subsidize instructor training for some program areas in exchange for a commitment to provide instructor services to the Recreation District.

For further information or if interested in submitting your name as an instructor, please contact:
